Career Objective

To leverage my technical and problem-solving skills in Python, SQL, Power BI, Excel, and Data Analysis to contribute to innovative projects. I aim to grow professionally while delivering high-performance solutions and creating sustainable value through technology.

Experience

Data Analyst Intern – Bigziel Technologies, Chennai

Aug 2025 – present

- Developed and optimized Python scripts to clean, preprocess, and analyze large datasets
- Implemented data quality features including duplicate removal, null handling, and schema validation
- Generated automated analysis reports to improve data reliability and pipeline efficiency

Technical Skills

- **Languages:** Python, SQL
- **Frameworks & Libraries:** Pandas, NumPy, Django
- **Version Control:** Git, GitHub
- **Data & Analytics :** Data Cleaning, Data Preprocessing, Exploratory Data Analysis (EDA), Data Visualization
- **Tools & Technologies:** Power BI, Excel, Jupyter Notebook, Chart.gpt , claude ai.
- **Soft Skills:** Problem Solving, Critical Thinking, Collaboration, Communication

Projects

AI-Powered Resume Analyzer — ATS Scoring System

- Designed and developed an AI-powered resume analyzer that evaluates ATS compatibility scores (0–100)
- Implemented TF-IDF and cosine similarity algorithms for resume-job matching
- Built keyword extraction, skills gap analysis, and real-time suggestions for optimization
- Visualized insights using interactive charts for better user understanding
- Delivered real-time feedback and optimization suggestions for job seekers

Django E-Commerce Website – ShopKart

- Developed full-stack e-commerce platform using Django, HTML, CSS, and MySQL
- Implemented authentication, cart, wishlist, and product management features
- Built secure and scalable backend using Django ORM

Python Package – data-pipeline-tool

- Developed reusable Python package for automated data cleaning and validation
- Implemented duplicate removal, null handling, and reporting features
- Generated automated analysis reports to improve data reliability and pipeline efficiency

Education

M.Sc. Computer Science (75%)

2023 – 2025

A.V.V.M Sri Puspam College, Thanjavur

B.Sc. Computer Science (78%)

2020 – 2023

A.V.V.M Sri Puspam College, Thanjavur

Achievements

- C & C++ Programming Certification – Bharathidasan University
- Data Analytics Certification – Courseinn Academy
